Dr. Greene's Nervura Cures Children

A. O. Smith, Northfield Centre, Vt., says:

"My little daughter Eva had St. Vitus Dance with all its horrible symptoms. We and our neighbors thought her case hopeless. The most skilful physician I could get failed to help her. I commenced giving her Dr. Greene's Nervura blood and nerve remedy. The first bottle helped her, the second made a marked improvement, and four bottles cured her. She is now the picture of health."

L. C. Reed, Hegewisch, III., writes:

"My little son Luke was very nervous after having scarlet fever. He could not hold his right arm and leg still. Our physician's treatment made him worse. I got one bottle of Dr. Greene's Nervura blood and nerve remedy and before it was all taken the St. Vitus Dance was gone. It is wonderful the way the medicine

Mrs. J. W. Olin, Perry, N. Y., says:

"Our baby Kenneth was two years old and so nervous that he could not sleep. Neither would he eat scarcely anything. One bottle of Dr. Greene's Nervura blood and nerve remedy cured him completely, and I cannot say enough in praise of this wonderful medicine."

Mrs. B. B. Bowie, Lisbon Falls, Me., says:

"My daughter Lena, five years old, was taken with the Saint Vitus Dance. She was so bad that she could not feed herself, and could not use her left hand, and could not talk so we could understand her. She could not walk without falling down. After taking two bottles of Dr. Greene's Nervura blood and nerve remedy she was entirely cured."

Mrs. Herbert E. Harrington, Box 274, Adams, Mass., 84y5:

"After two years with our local doctors, we took our little boy Royal to a specialist and he told us that Royal had epilepsy and was incurable. He lost his speech for six weeks and continued having the fits so he would have nine or ten in a night. We saw Dr. Greene's Nervura blood and nerve remedy advertised in the paper, so we got a bottle and gave it to Royal as directed. In three days the fits left him, and we have seen nothing of them since."

Mrs. H. M. Watson, 153 Bloomingdale St., Worcester, Mass., says: "My daughter Ethel May had twenty-six convulsions in two years.

Her appetite was very bad; she could not sleep nights, her limbs
would draw up, and she suffered, oh, so much! She was as yellow would draw up, and she suffered, oh, so much! She was as yellow as saffron and weak and delicate. Our local doctors gave her up.

"But, thanks to a wonderful medicine, she is now perfectly well and healthy. This remedy is Dr. Greene's Nervura blood and nerve remedy, and it has completely cured my little girl."

COMPREHENSIVE PLAN TO INVITE SHE HAD MILLIONS; HILL TO VISIT WESTERN STATES.

Democratic Senators, Governors and Members of National Arthur Stanford, a Young Actor, and State Central Committees Asked to Sign Formal Invitation to Man Who Is Being Boomed for President.

Washington, April 29.—Inflation of David B. Hill's boom for the Democratic nomination for the presidency in 1904 has begun. It has already been announced that the former Senator will make a tour of the Southern States this fall, and it now develops that plans are being perfected for carrying his campaign for the nomination into the Western States next year. The arrangements are being made with the knowledge and, apparently, with the approval of Mr. Hill himself, although they ostensibly originated with the Democracy of the State of Washington.

The plan is shown in the following letter, which has been received by every Democratic and Populist United States Senator and George France and every member of the Democratic National Committee in the same organization. The letter reads:

"Tacoma, Wash, April 19, 1991.—My Dear Sir: The Democracy of this State campaign of next year a visit from that most eminent man, David B. Hill. The undersigned has for many years been far vored with the intimate acquaintance of Mr. Hill. He can state absolutely that it has been the desire of Mr. Hill to make a trip to the Pacific Comet and that he (Mr. Hill) looks forward to next year as the time when he may be able to do so. REPUBLIC SPECIAL.

Chicago, April 27.—"We expect to have the Maine affoat and ready for business again some time next fall. She was not so badly damaged when she was sunk as is generally supposed. The repairs can be easily accomplished."

Thus spoke Newton F. Chamberlain, who is engaged in raising the wreck of the battleship in Havana Harbor, Friday. He has just returned from Cuba. He added that

"We find," continued Mr. Chamberlain, "that the Maine has not sunk one inch deeper during the last two years. She lies perfectly level, and it is just thirty-seven feet and five inches to solid bottom from both bow and stern.

"In order to float the vessel we shall first build a dam all around it and pump out the water. When the water has all been removed the hole in her bow will be repaired. Then when the water is turned in again she will rise to the surface and will be towed to the Havana docks for a complete over-

TRIED TO SMOTHER WIFE WITH PILLOW.

Charge on Which a Kansas City Woman Is Promptly Granted a Divorce.

REPUBLIC SPECIAL

Kansas City, April 27.-Leah C. Percival showed herself to be a modern Desdemona, and her husband, Daniel G. Percival, a very cruel Othello, in the story which she told to Judge Gibson in her divorce suit. Twice, she claims, he tried to smother her with a pillow as she lay asleep in bed, once at No. 903 Troost avenue and once at the Col-umbian Hotel, where they were living. Oc-cupants of an adjoining room heard her smothered cries the last time, and ran to

her assistance.
"I was lying in bed," said Mrs. Percival. a good-looking young woman of 24 or 25, "and was almost asleep, when he threw a pillow over my face and held it there. Oh, shall never forget it as long as I live. I thought I would suffocate, sure."

Mrs. Percival is employed as a clerk in a candy store near Ninth and Holmes streets. They were married in Topeka in 1894. Judge Gibson granted her a divorce. She told the Judge, besides, that Percival frequently slapped her and pushed her around and treated her rudely and roughly. She said she never quarreled with him, nor had she ever lost a handkerchief, as in the original Othello and Desdemona tragedy.

CURE FROM PILES. No Surgical Operation, No Pain, Trif-

ling Expense-A Simple, Harmless Remedy, but it Does the Work.

the Work.

There are some people who have piles as regularly and frequently as other people have colds. Any little bowel trouble will bring them on, any extra exertion, as in lifting, will produce them, and, in fact, will often appear without any apparent provocation. Piles, however, is much more serious than a cold, as the tendency is always to grow worse until the trouble becomes deepseated and chronic, or develops into some fatal rectal disease.

While there are many pile remedies which give relief, yet there is but one which not only gives instant relief, but at the same time makes a permanent cure, and that is the well-known Pyramid Pile Cure.

This remedy is composed of simple, harmless vegetable ingredients, but combine so effectively and act so promptly and thoroughly that it cures every form of piles, whether itching, blind, bleeding or protruding. In long-standing cases the Pyramid Pile Cure has proven to be the only certain cure except a surgical operation, and its advantages over an operation are many, as it is painless, causes no delay or interference with daily occupation, and, last, but not least, is cheaper than any surgical operation could possibly be, costing 50 cents a package at any drug store. The cases that the Pyramid Pile Cure will not reach are so few that physicians are doing away with operations for piles and depending on this cheap but effective remedy to accomplish a complete cure, and it never disappoints except in cases beyond the reach of medical skill. The Pyramid Drug Co., of Marshall, Mich., and for sale by druggists everywhere at 50 cents per package, Each package contains a treatise on cause and cure of piles, together with testimonials from every section of this country.

Fields Near Santa Fe-New Townsite Is Surveyed.

REPUBLIC SPECIAL

Santa Fe, N. M., April 27.-County Engineer J. L. Zimmerman and James Newhall have returned from Algodoness, in Bernadillo County, just across the Santa Fe County line, where they surveyed a new townsite. The indications for oil in that district are unmistakable. One of the wells bubbles above the piping at regular will be worked.

The Algodoness townsite is about six miles from the oil wells and coal fields, which are situated on the surveyed line of the Santa Fe, Albuquerque and Pacific Railroad, while the townsite is on the Santa Fe Railroad, which has erected a station there and installed a station agent.
It is proposed to use the oil for fuel for

industrial purposes until a refinery is built by the Standard Oil Trust. Work on the proposed new smelter at Algodoness has not yet been resumed. On almost the en-tire tract of 2,000 acres there is a surface seepage of oil and outcroppings of oil sand-The oil stratum of the tract lies only slight-

ly out of the horizontal, indicating that when oil is struck it will be found of con-siderable depth and extending over a wide area.

The Western Union Oil Company has been capitalized at \$1,000,000 by Denver, St. Louis, New Orleans and Chicago capital, and is exploiting the oil and coal fields.
